

Bountiful Neighborhood Emergency Preparedness Committee

Evacuation Plan:

Evacuation is when the members of our household leave our home, neighborhood, or city because of an emergency situation. When we are instructed to evacuate, we need to follow instructions from emergency crews and leadership.

The disasters most likely to cause us to need to evacuate are wildfires or house fires, earthquakes, and industrial accidents, but we can be asked to leave for many reasons.

1. Our meeting places are:
 - a. Outside, in the yard: _____
 - b. In the neighborhood: _____
 - c. Outside the neighborhood: _____
 - d. Outside the city: _____
2. Our out-of-state emergency contact is: _____
3. Our 72-hour kits are located: _____
4. Our evacuation route from our house:

5. We will keep our car prepared for evacuation by doing this:

6. Remember this:
