

Bountiful Neighborhood Emergency Preparedness Committee

Home Information Sheet:

Where we live is extremely important to us, and we spend a lot of time there. While our homes often provide us shelter, they can also be sources of accidents and emergencies. It is critical to know about your home so you can respond well to emergencies both inside and outside of its walls.

1. Home Address: _____
2. What is our home like?
 - a. House or apartment? _____
 - b. Own or rent? _____
 - c. Size: _____
 - d. Year built: _____
 - e. Any special concerns? (e.g. is the building up to code? Are there any unavoidable hazards? Etc.)

3. Our meeting places in our home are:
 - a. Inside: _____
 - b. Outside, in the yard: _____
4. Our main evacuation points in our home are:

5. Our home diagram and evacuation routes:

6. Utility Providers

	Agency Name	Phone	Notes
Gas			
Electric			
Water			
Phone			
Cable/Satellite			
Internet			

7. Where are turn off valves for gas, water, and electric? How do you turn them off?

8. Our 72-hour kits are located: _____

9. Our food storage and emergency supplies are located:

10. Remember this:
